### *Cake Ingredients:*

1 package lemon cake mix  
1 box of instant lemon pudding mix  
4 eggs  
1 1/4 cups milk  
3 tbsp. vegetable oil  
1 cup blueberries

### *Glaze Ingredients:*

1 lemon  
1 tbsp. butter  
1 cup icing sugar

### *Directions:*

Mix everything but the blueberries in a mixer for 5 minutes on medium speed. Bake at 350F for 40 - 60 minutes depending on pan size. Fold blueberries into the batter or sprinkle them on top.

NOTE: To keep the blueberries from sinking to the bottom, coat them completely with some of the dry cake mix.

Glaze when cool.

*To glaze:* Mix the juice from 1 lemon, 1 tbsp. butter melted, pinch salt and enough icing sugar to make proper pouring consistency.
