The Hanged Man's Noose is a local pub in Lount's Landing, named after a nineteenth-century Canadian politician hanged for treason. In addition to its signature drink, the Treasontini, and its to-die-for Full Noose Nachos, the Jailhouse Club is a favorite.

Ingredients

4 slices of white or whole wheat bread, toasted

1 lettuce leaf (any type, iceberg works best)

Cooked, sliced turkey or chicken breast (you can use deli meat, but real turkey or chicken tastes better)

3 slices bacon, crisp

1 tomato, thinly sliced

Mayonnaise

Salt and pepper

Dill pickle (optional)

Directions

Spread all 4 slices of toast with mayonnaise. Arrange 1 lettuce leaf on one piece of toast. Top with turkey/chicken, then another piece of toast, then lettuce, bacon, and tomato. Season to taste with salt and pepper.

Cut into quarters. Hold together each quarter with a toothpick. Serve with a dill pickle, sliced in half.
